RESPONSE TO NOTICE TO FILE

MISSING PARTS OF NONPROVISIONAL APPLICATION

Honorable Commissioner for Patents
Washington, D.C. 20231

Sir:

This is in response to the March 22, 2002 Notice To File Missing Parts of Nonprovisional Application issued by the Patent Office in the above new application. A copy of the Notice is attached hereto.

The Notice indicated that "The oath or declaration is missing" from the originally filed application documents. However, a properly executed Declaration was in fact filed with the application documents. A copy of the Declaration as filed and a copy of the Patent Office date-stamped receipt card indicating receipt of the application documents, including the Declaration, are attached hereto.

Since this omission is believed to be an error on the part of the Patent Office, the \$65 surcharge fee otherwise required to be paid under 37 C.F.R. §1.16(l) is not believed to be required in the instant situation. However, in the event the Patent Office should determine that it did not cause the error resulting in the Notice, it is respectfully requested that the \$65 surcharge

fee be charged to the deposit account 02-0200 of the firm of the undersigned and written confirmation of such charge be sent to the undersigned.

If there are any questions in connection with this matter, the undersigned may be reached at his Alexandria, Virginia office at (703) 683-0500.

Respectfully submitted,
